“The Kendrick Garden Transitional Kindergarten Program”

St. John's Baptist Church Weekday School is excited to launch “The Kendrick Garden Transitional Kindergarten (TK) Program for the 2012-13 School Year.

The program will offer enrichment for children who are five by December 31st 2012. Transitional Kindergarten is always an excellent alternative for children who may need an extra year prior to entering Kindergarten. The program will be led and supported by our qualified, professional staff trained and educated to ensure your child's success.

Question: Why it's called “The Kendrick Garden TK Program”

Roy and Janie have been church members since 1950. Roy is one of the original architects of our Weekday School. His wife, Janie, was the original Director of the Weekday School. We are thankful to have their continued support and visionary assistance as our Weekday School program flourishes.

Thank you,
