Please use this bottom portion of the application to indicate which camps you would like to work. Please indicate your FIRST CHOICE with a (1), your SECOND CHOICE with a (2), and so on. Youth workers are assigned based on a) number of children registered for a camp; b) order in which applications are received; c) appropriateness of age or skill of the youth to the camp. Quite often, it is not possible to hire youth for camps until early summer—should your plans change between your application time and the time we are able to hire, please let us know.
